

## Technical Data Sheet

### *Polyvin* PVC 6620-31 BLACK

Polyvinyl Chloride, Unspecified

#### Product Description

GP PVC 70A

Processing Method      Injection Molding

| Typical Properties                        | Nominal Value | Units             | Test Method |
|-------------------------------------------|---------------|-------------------|-------------|
| <b>Physical</b>                           |               |                   |             |
| Density - Specific Gravity                | 1.25          | g/cm <sup>3</sup> | ASTM D792   |
| <b>Mechanical</b>                         |               |                   |             |
| Tensile Strength at Yield, (500 mm/min)   | 11.0          | MPa               | ASTM D638   |
| Tensile Elongation at Break, (500 mm/min) | 320           | %                 | ASTM D638   |
| <b>Hardness</b>                           |               |                   |             |
| Durometer Hardness, (Shore A, 15 sec)     | 65            |                   | ASTM D2240  |
