

# Technical Data Sheet

## Eastman Sustane™ SAIB MCT (Sucrose Acetate Isobutyrate), Food Grade, Kosher

### Chemical Synonym

Sucrose Acetate Isobutyrate (and) Caprylic/Capric Triglyceride

### Applications

- Beverage ingredients
- Food flavors & food fragrances
- Food ingredients
- Other-food chemicals
- Personal care ingredients
- Weighting agent

### Product Description

Eastman Sustane™ SAIB MCT is a weighting agent designed for customers needing improved handling traits, enhanced cloud properties, and taste neutrality in beverages. Eastman Sustane™ SAIB MCT is a blend of food grade medium chain triglycerides (MCT) and SAIB that pours readily at room temperature and increases the flavor stability and cloudy appearance of the beverage. It dissolves rapidly in many flavoring oils and solvents, is resistant to air oxidation, and will not discolor or develop off-flavors during long-term storage. Due to its low viscosity, Eastman Sustane™ SAIB MCT can be easily added at common operating temperatures and conditions. All kosher products produced by Eastman are manufactured under rabbinical supervision in full accordance with Jewish dietary law.

Sprayable and water resistant, Eastman Sustane™ SAIB MCT is also effective in cosmetics, hair care and skin care applications.

### Typical Properties

Property	Test Method	Typical Value, Units
<b>General</b>		
Form		
@ 25°C		Pourable Liquid
Medium Chain Triglycerides		18-22 %
Density		
@ 25°C		1.1 kg/L
Flash Point		
Tag Closed Cup		>99 °C (>210 °F)
Viscosity		
@ 25°C		5000 cP, approx.
Acid Number (mg KOH/g)		0.3 max.
Color		
Pt-Co	D 1209	200 max.

### Conditions

If SUSTANE SAIB MCT is stored in accordance with the MSDS, in it's original unopened Eastman container, protected from extreme heat and humidity, it should conform to sales specifications for 36 months from the date of manufacture. This data was determined under conditions, which may not be identical to the customer's

conditions. Eastman recommends first in first out inventory practice. See the Material Safety Data Sheet for available health, safety, storage and handling information.
