CERTIFICATE 10D1118

Letter : JT/VL/10L1229

Feluy, 21/12/2010

REACH SVHC

ALL POLYETHYLENE EVA COPOLYMERS, LDPE, LLDPE, MDPE, HDPE AND LUMICENE PRODUCTS (Manufactured in Europe)

ALL POLYPROPYLENE PPH, PPC, PPR, PPM, PPS AND LUMICENE PRODUCTS (Manufactured in Europe)

This statement is in response to your request whether our Product(s) contain(s) Substance of Very High Concern (SVHC) in view of Regulation 1907/2006/EC (REACH).

SVHC are addressed through the authorization system (Reach Title VII). The Substances of Very High Concern are identified through the "candidate list" (referred to in Article 59 of the authorization system) and gradually they may be included (Article 58) in Annex XIV (Substances subject to authorization) of the Reach Regulation.

We hereby certify that our Product(s), manufactured by Total Petrochemicals companies within the EU do not contain more than 0.1% (w/w) of any substance of very high concern listed in the ECHA candidate list in accordance with Article 33 of the Reach Regulation, as updated December 15th, 2010.

However, since we do not perform specific tests to verify the potential presence of SVHC in our Product(s), we cannot guarantee that there is no trace amount of some of SVHC, as impurity or otherwise, in our Product(s).

Our statement does not cover:

- any modification of the warranted product by any addition of any other product to it,
- any prejudicial modification of the warranted product resulting from a processing of the product,
- an inadequate use and/or storage of the material and of the finished articles.

The present statement is valid for a period of one year starting from the date first above written.

We are at your disposal for any further information you may need and remain,

Yours faithfully
TOTAL PETROCHEMICALS RESEARCH FELUY

Information contained in this publication is true and accurate at the time of publication and to the best of our knowledge. The nominal values stated herein are obtained using laboratory test specimens. Before using one of the products mentioned herein, customers and other users should take all care in determining the suitability of such product for the intended use. Unless specifically indicated, the products mentioned herein are not suitable for applications in the pharmaceutical or medical sector. **Under no circumstances are any products sold by Total Petrochemicals suitable for human or animal implants.**

The Companies within Total Petrochemicals do not accept any liability whatsoever arising from the use of this information or the use, application or processing of any product described herein. No information contained in this publication can be considered as a suggestion to infringe patents. The Companies disclaim any liability that may be claimed for infringement or alleged infringement of patents.
