

SVHC Statement for Polyolefins

January 17, 2022

Braskem Polypropylene, Polyethylene, UTEC and Ethylene-Vinyl Acetate (EVA) virgin products do not contain any of the 223 chemical substances listed in the Annex XIV Candidate List of Substances of Very High Concern for authorization, as of January 17, 2022 above the 0.1% threshold as stated in REACH (Article 57 and 59(1), Regulation No. 1907/2006) as determined either through (i) nonuse of the substance, (ii) mass balance calculation, or (iii) specific testing. The combined lists of SVHCs can be found at the following link to the ECHA website: <http://echa.europa.eu/candidate-list-table>

Please note that this document does not apply to products containing recycled materials.

Braskem Global Product Stewardship

- 1) Braskem does not make and expressly disclaims any warranties, including warranties of merchantability or suitability for a particular purpose, regardless of whether oral or written, expressly or implied, or allegedly arising from any use of any trade or from any course of dealing in connection with the use of the information contained herein or the product itself. The data provided in this document is limited to the extent of Braskem's knowledge and/or supplier's information provided to Braskem on this date. The document herein relates only to the specific Product designated and may not be valid for such Product used in combination with any other product or in any process, unless otherwise specified.
- 2) This Product should not be used in medical or pharmaceutical applications classified as (i) Class IV under applicable Brazilian law or (ii) Class III under applicable EU law or (iii) highest level risk under applicable United States law (i.e., those applications presenting maximum risk to health and safety of patient, operator, consumer or third parties).
- 3) It is the Purchaser's responsibility to verify the suitability of Braskem's Product for the intended use, to obtain the necessary competent government approvals and to ensure compliance with any applicable legal and regulatory requirements. Braskem does not warrant the suitability of its Products for the Purchaser's intended use of its (the Purchaser's) finished products. Moreover, Purchaser acknowledges and accepts the responsibility to determine and perform all necessary tests on its finished products to ensure that all conditions, specifications, legal and regulatory requirements are met and that its finished products manufactured with this Product are suitable for the application intended, including, but not limited to, medical, pharmaceutical, food packaging, food contact, as applicable.
- 4) The Purchaser assumes the full risk of any liability either resulting from a contract or the law to its consumers and purchasers, exempting Braskem from any direct or indirect damages arising from the commercialization of the Purchaser's finished product.
- 5) If the Purchaser is not the end-purchaser of this Product and is going to distribute, sell or to make it available for third parties, this disclaimer must be presented to those third parties, including the importer, under penalty of exclusive responsibility of the Purchaser for the use of this Product by the third parties, in disagreement with Product Stewardship information.
- 6) The information provided is of the date hereof and Braskem may update, revise or amend the information contained herein whenever possible at any time.
- 7) Additional information on health, safety and environmental aspects of Braskem's product is listed in its Safety Data Sheet (SDS).
- 8) For the purposes of this document, Braskem shall be understood as Braskem S.A and its subsidiaries, including Braskem Netherlands B.V., Braskem Europe GmbH and Braskem America Inc., and the Braskem legal entity(ies) which is/are the seller of Product, unless otherwise expressly specified.
