End of Vehicle Life Directive

Based on the information available to us from our raw material suppliers, the current products referred to above do not contain as intentional additives or ingredients, the four heavy metals lead, cadmium, chromium (VI) and mercury and their compounds, as referenced in the subject EU Directive 2000/53/EC and its amendments (up to and including Directive (EU) 2018/849 of the European parliament and of the Council of 30 May 2018).

Therefore, the requirements of EU Directive 2000/53/EC (End-of Life Vehicles Directive) and its amendments are fulfilled.

For notice:

Many substances are ubiquitous. The observance of all these substances is not part of our on-going production control. In view of the many factors that may affect processing and application of our products, this information does not relieve the processor from carrying out own investigations and tests, neither does this information imply any guarantee for certain properties nor the suitability of the product for a specific purpose. It is the responsibility of the recipient of our products to ensure that any proprietary rights and existing laws and legislation are observed.

Please note that this declaration is only valid for prime products manufactured within the Asia Pacific Region.
